(d) *Conditions that apply if no basis of knowledge.* (1) If a public agency does not have knowledge that a child is a child with a disability (in accordance with paragraphs (b) and (c) of this section) prior to taking disciplinary measures against the child, the child may be subjected to the disciplinary measures applied to children without disabilities who engage in comparable behaviors consistent with paragraph (d)(2) of this section.

§ 300.536 Change of placement because of disciplinary removals.

(a) For purposes of removals of a child with a disability from the child's current educational placement under §§ 300.530 through 300.535, a change of placement occurs if—

(i) Because the series of removals total more than 10 school days in a school year;

(ii) Because the child's behavior is substantially similar to the child's behavior in previous incidents that resulted in the series of removals; and

(iii) Because of such additional factors as the length of each removal, the total amount of time the child has been removed, and the proximity of the removals to one another.

(b)(1) The public agency determines on a case-by-case basis whether a pattern of removals constitutes a change of placement.

(2) This determination is subject to review through due process and judicial proceedings.

§ 300.537 State enforcement mechanisms.

Notwithstanding §§ 300.506(b)(7) and 300.510(d)(2), which provide for judicial enforcement of a written agreement reached as a result of mediation or a resolution meeting, there is nothing in this part that would prevent the SEA from using other mechanisms to seek enforcement of that agreement, provided that use of those mechanisms is not mandatory and does not delay or deny a party the right to seek enforcement of the written agreement in a State court of competent jurisdiction or in a district court of the United States.
